

## 2017 Nomination Form

Presented by the Springfield Regional Arts Council (SRAC), the Ozzie Awards are given each year to individuals, organizations, and businesses which have demonstrated an outstanding commitment to the arts in our region. Nominations for the 2017 Ozzie Awards will be accepted through Wednesday, March 1, 2017. Winners will be honored on Saturday, October 14, 2017 at the 8th Annual Flights of Fancy, presented by the Springfield-Branson National Airport to celebrate the arts in our community.

Nominees should have exhibited an extended service in promoting the arts, a broad spectrum of involvement in the arts, support above and beyond professional responsibilities, and should be a catalyst for the growth of the arts in southwest Missouri. A Legacy Award may be offered posthumously to a nominee who met all the qualifications of an Ozzie Award in their lifetime.

Judging is based on the information provided by nominations. All information about the nominees and judging is confidential.
